

BUNTINGFORD COMMUNITY PERSON OF THE YEAR AWARD

This new Community Person of the Year Award is being supported by Buntingford Town Council, Buntingford Chamber of Commerce and The Buntingford Civic Society.

The awards will give recognition to local people who have made significant, often unsung, voluntary contributions to the Buntingford community.

There will be two awards each year – one for those over 20 years old and another for those under 20. The awards could be made for various reasons but could include:

- A young person who is contributing positively to their community
- An older person proving that age is not a barrier to volunteering
- Inspirational people who are enhancing the wellbeing of others through their volunteering
- Eco-friendly heroes who have established innovative environmental projects
- People who are supporting the integration of our new communities
- People who are selfless in their commitment to their communities

The awards will be presented by the Buntingford Town Mayor at the Annual Lights of Love ceremony on the last Friday in November. Each award-winner will receive a trophy and a cash prize of £100.

Nomination forms are available from the Manor House and from various outlets around the Town.
