Member of

Sad news from your Executive Committee

Brian Lemay
1944 – 2024

It is with great regret that we announce the sad news that Brian Lemay, a staunch member of the Civic Society for many years, passed away on the 27th May 2024.

Brian had been a member of the Civic Society for many years and a member of the Executive Committee for 9 years. He was a long term resident of Buntingford and was passionate about its environment. His love of nature led to him being involved in many Environmental projects around the town.

He was a member of the group that investigated and produced the Buntingford Community Area Neighbourhood Plan and was responsible for writing the Environmental policies which are still relevant and robust today. He was an active member of the River Rib restoration project since its start. He was co-opted to the town council in 2019 but decided not to stand for re-election in 2023. Although he was no longer a councillor, he was part of a Town Council and HMWT led initiative to carry out improvements to the river and its environs, on the section from the weir to Luynes Rise bridge, he will be greatly missed by the group.

We send our sincere and heart felt sympathies to his family at this sad time.

Rest in Peace Brian
your legacy will live on in our memories.
